### **Awards Day**

At the end of the academic year annual awards are handed out for all subjects and areas of the school.

You will receive verbal feedback throughout lessons and any comment given will focus on how you can improve the standard of your work.

You will also be given an additional mark in a circle that will indicate the grade demonstrated within this piece of work.

Your teacher will try to identify the things you have done well and also give you ideas on how to achieve an even higher grade next time.

## **HOMEWORK**

- You will be given a Homework Diary/Planner. This is to be used for recording all your homework.
- Your teacher will tell you **WHAT** your homework is and **WHEN** it is **TO BE HANDED IN**.

## **ASSESSING YOUR PROGRESS**

Your Year Leader will keep an eye on your academic progress and your subject teachers will obviously keep him/her informed.

### **Term Assessments**

Your effort and attainment will be assessed on a half- termly basis by means of a grading system. These grades will be sent home to parents.

### **'On Report'**

Occasionally it may be necessary to help you raise your levels of effort and/or attainment. This will be done by means of an achievement tracker.

Staff will comment after each lesson about your effort and attainment and record their observations on your tracker.

### **Academic Review Meetings**

When serious concerns have been raised about your academic achievement of a pupil your Year Leader may ask for an Academic Review Meeting. The purpose of this meeting is to set clear targets that help you make better progress.

assessment

# important information

Some pupils are also given positions of responsibility:

## **Middle school monitors.**

**Student Voice** - representatives are selected to discuss the opinions of students in their Year group at Student Voice meetings.

## **Absence**

If you are ill, you should ask a parent to phone school on 01704 841151 before 8.30am.

If you are off sick for more than a few days, you should supply a medical note when they come back.

If you need to be off school for any other reason, you must get permission from the Headteacher.

Any work missed when you are off ill should be completed when you come back to school.

## **Class and classrooms**

Students must arrive at all lessons on time with the appropriate equipment and all books lost or damaged must be paid for.

Students must keep their lockers and teaching / study areas tidy.

At the end of the day no bags should be left in any of the classrooms.

Students must take great care to look after the furniture and fabric of the school. No marks must be made on furniture. Any damage must be reported to the staff as soon as it occurs. The appearance of a room in general depends on the efforts of individuals.

## **School premises and grounds**

During school hours, pupils are not allowed to leave.

Within the school, the staff room, science technician room and the kitchen are always out of bounds.

Pupils may only visit the Head's study by appointment or invitation.

## General Rules

Chewing gum is not allowed.

Food and drinks are to be consumed in the Dining room or in the 'Grab and Go' seating area.

No smoking is allowed in Middle school and within the school grounds.

All money must be kept on the person and large amounts should not be brought to school.

## Mobile Phones, MP3/4 Players and Android devices

The School recognises that mobile phones are now an important aspect of everyone's life and have considerable value, particularly in relation to individual safety. School therefore accepts that pupils are permitted to bring mobile phones to school but that use is limited and restricted.

The School's aim to educate students in the responsible use of technology.

You must:

Use your tablet or laptop responsibly at all times (Pupils must not use phones for making calls, checking the time, texting or taking photographs whilst on the school site).

Tablets or laptops may be used for educational purposes ONLY with the individual teacher's permission e.g. as a calculator or for research purposes.

Pupils may not use these devices for entertainment purposes in their own classrooms during wet breaks.

Files stored on tablets or laptops must not contain violent, degrading or unsuitable images.

Cyber-bullying is completely unacceptable.

Responsibility for the phone rests with the pupil and the School will take no financial responsibility for loss or damage. The School bears no responsibility for confiscated items.

If you are found to be breaching the policy you will have their phone confiscated and it will be returned to your parent / carer, or passed to the Police. It is a privilege to be permitted to bring mobile phones and other devices into school and abuse of this policy may lead to a curtailment of this privilege.

## Transport

If you travel on a mini-bus you will be allocated a seat. You must sit in this seat on all journeys. All duty teachers check that everyone is on the bus before it departs on the homeward journey, so if you do not intend using it on a particular day you must bring a letter from your parents explaining what alternative arrangements have been made and give it to the member of staff on the main reception desk.

If you do not normally use school transport but wish to do so on a particular day for a special reason you must see the person on the reception desk.

## Fire Drill

Your Form tutor and subject teachers will give you details about the fire drill. Notices are displayed in each room indicating the exit procedure. If there is a fire drill:

- **BE SILENT**
- **FOLLOW DIRECTIONS GIVEN TO LEAVE THE BUILDING**
- **ASSEMBLE ON THE DESIGNATED AREA**
- **LISTEN TO YOUR TEACHER'S INSTRUCTIONS**

## Leave of Absence

If you require to be absent from Middle school for any reason your parents must write to the Head in advance to ask for his permission.

If you are granted permission to leave Middle school early for any reason you must report it to the General Office before you leave in order for the register to be amended accordingly. You must then leave the building by the main entrance with your parents.

information

# any questions?

## What should you do if....?

There are often times when you have a question that requires guidance. Use the following information as examples and what you should do if you have a problem.

### **If you do not understand your work**

Ask your teacher as soon as there is anything you do not understand.

Teachers want to help you learn and will be impressed if you are asking for further guidance.

### **If you are worried or upset**

If you are worried or upset about something, please talk to your Form Tutor or Year Leader. They are there to try to help you. It does not matter what time it is during the day. If you think you are being bullied, or if you are concerned about a friend, please talk to us about it.

### **If you feel ill or have an injury**

Tell your teacher and they will assess if you need to go straight to the office or they will monitor how you are feeling and assess again later on that day.

If you have hurt yourself report this immediately to a staff member.

## Lost property

Don't worry!

Most lost property turns up.

BEFORE you tell a teacher you have lost something, check through the following list:

- Stop and think when you last remember having your property, e.g. the lesson and room you were in.
- Go and look there and all of the rooms you have been in since. Re-trace your steps.
- See if it has been handed in to the Office.
- Report lost property to your Form Tutor and Year Leader.
- Check again at HOME.
- When you find it – make sure that it is named. It will get back to you more quickly if it has a name in it.

### **If you are late for school or have forgotten something**

You must report the  
General Office when you  
arrive and then go straight  
to your first lesson.

If you have forgotten your  
kit then you can ask the  
office staff to call your  
parents, who may be kind  
enough to bring it in for  
you.
