A unique Middle Year's Curriculum...

Our unique Middle Year's Curriculum supports pupils at this critical time of their education. Pupils enjoy more freedom and independence, supported by the School's excellent pastoral care system. Subjects are studied in greater depth with specialist subject teachers leading the curriculum.

In Middle School the co-curricular aspects of school life are enhanced with further opportunities to take part in our sporting teams and competitions. The co-curricular programme is delivered through our E3 sessions with pupils following one of our co-curricular themes of:

- Leadership • Wellbeing • Arts • Sports

In addition, our Middle Year's Diploma (MYD) brings together the co-curricular and academic elements of school in to our own unique qualification. In preparation for life in College, students complete elements that include:

- Academic Achievement • Community Service • Leadership • Global Awareness

Every learner at Scarisbrick Hall School is given the opportunity to succeed academically and personally.

The key differences that defines our Middle School from a traditional primary/secondary model are:

Scarisbrick Hall Middle School **KEY POINTS**

SPECIALIST SUBJECT TEACHING FOR ALL STUDENTS FROM YEAR 5

MIDDLE YEARS DIPLOMA

WELLBEING PROGRAMME

ENRICHMENT ACTIVITIES THAT PROMOTE LEADERSHIP AND SERVICE

ACCELERATED LEARNING THAT ALLOWS STUDENTS TO TAKE GCSE OPTIONS AT THE END OF YEAR 8

A DISTINCT EXPERIENCE THAT ALLOWS THE STUDENTS TO TRANSITION SMOOTHLY INTO SPECIALIST TEACHERS AND SUBJECTS

The Middle Years Curriculum model is built on a firm foundation of core subject knowledge and understanding. Learners experience specialist teaching across the five academic faculties. In the lower MiddleSchool (years 5&6), Heads of Faculty co-ordinate a creative curriculum that thematically links teaching with a Humanities theme.

These approaches to teaching assist the transition to subject specialisms and helps students connect the learning in their day.
